

WARRANTY

CAML-TOMLIN offers the following limited warranties on its products. These warranties extend only to the original owner/end-user for personal household use and start from the manufacturing date of the unit. For commercial uses and showroom displays, additional limitations apply.

CAML-TOMLIN warrants acrylic units to be free from defects in workmanship and materials under normal use and service for a period of ten (10) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants whirlpool and air systems to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants blowers to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants whirlpool and air systems to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants electrical components, including chromatherapy systems and touch pads for whirlpool and air system, to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-users, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants grab bars (including stainless steel and acrylic grab bars) to be free of all material or workmanship defects under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants shower doors to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants Chrome and Brushed Nickel faucet finishes to be free from defects in workmanship and materials under normal use and service for a period of two (2) years.

CAML-TOMLIN warrants ceramic cartridges for faucets against any leaks resulting from normal use by the owner/end-user, contractor or builder for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants thermostatic cartridges to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants shower massage systems to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

CAML-TOMLIN warrants waste and overflows to be free from defects in workmanship and materials under normal use and service for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

Any product reported to the authorized dealer or to CAML-TOMLIN as being defective within the period will be repaired (with a product of equal value) at the option of CAML-TOMLIN. Costs for freight associated with shipping of replacement product/parts might be charged to customer. In no event will CAML-TOMLIN be liable for the cost of repair or replacement of any installation materials, including but not limited to tiles, marble, etc. This warranty extends to the original owner/end-user and is not transferable to a subsequent owner.

Neither the distributor, or authorized CAML-TOMLIN dealer nor any other person has been authorized to make any affirmation, representation or warranty other than those contained in this warranty; any affirmation, representation or warranty other than those contained in this warranty shall not be enforceable against CAML-TOMLIN or any other person.

CAML-TOMLIN reserves the right to modify this warranty at any time, it being understood that such modification will not alter the warranty conditions applicable at the time of the sale of the products in question.

LIMITATIONS

CAML-TOMLIN warranty is not transferable to a subsequent owner. The warranty period for a product used for commercial purposes is reduced to (1) year commencing from date of purchase from an authorized dealer, contractor or builder. If product is used in a display the one (1) year warranty period shall begin when the product is placed on display. CAML-TOMLIN is not liable for any loss of product, use or profit under any circumstances. This warranty shall not apply following incorrect operating procedures, breakage or damages caused by normal wear and tear, fault, carelessness, abuse, misuse, misapplication, improper maintenance, alteration or modification of the unit, as well as chemical or natural corrosion, accident, fire, flood, act of God or any other casualty.

This warranty shall not apply to stain or malfunction caused by ferrous water, hard water or salty water. The owner/end-user of the product covered by this warranty is entirely responsible for its proper installation and electrical wiring. This warranty is void if unit is not tested prior to final enclosure as per the installation instructions. CAML-TOMLIN neither installs nor supervises the installation, nor hires a contractor for this purpose, and consequently cannot be held responsible for any defect, breakage or damage caused thereby or resulting thereof, either directly or indirectly.

The owner/end-user must provide access to the components of the product as described in the installation guide, so that CAML-TOMLIN can execute the warranty specified herein. If such access is not available, all expenses to provide said access will be the responsibility of the owner/end-user.

This warranty does not apply to products or equipment not installed or operated in accordance with instructions supplied by CAML-TOMLIN and all applicable rules, regulations and legislation pertaining to such installations.

CAML-TOMLIN strongly recommends that its products—for example, but without limitation, shower doors and other items—be installed by professionals with experience in bath-room products. Installation of shower doors by an inexperienced person may result in glass breakage and, consequently, cause personal injury or death.

CAML-TOMLIN is not liable for any costs, damages or claims resulting from the purchase of products that do not fit through openings or existing structures. CAML-TOMLIN is not liable for any costs, damages or claims resulting from defects that could have been discovered, repaired or avoided by inspection and testing prior to installation.

CAML-TOMLIN is not liable for personal injuries or death to any person or for any direct, special, incidental or consequential damage, loss of use, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other costs resulting from the use of its products or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty.

EXCEPT AS OTHERWISE PROVIDED ABOVE, CAML-TOMLIN MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR COMPLIANCE WITH ANY CODE.

In any case, CAML-TOMLIN cannot be liable for any amount over and above the purchase price paid for the product by the owner/end-user, contractor or builder.

This warranty gives the owner/end-user specific legal rights. The owner/end-user may also have other rights, which vary from one state and/or province to another.

Tolerance on dimensions +/- 0.25" (6mm)

All dimensions are approximate, structure measurements must be verified against the unit to ensure proper fit.
