

15 Year Ltd. Warranty on Opaque Finish

You can obtain incomparable protection with the Goodfellow Pressure-Treated Siding as well as the Olympic opaque acrylic finish.

The Olympic "Machinecoat" exterior finish warranty starting from date of purchase covers the following:

- * the finish coat will not crack or flake
- * the color will not yellow
- * there will be no chalking or paint film erosion
- * product is fully washable without damaging the finish

*Warranty must be registered with Olympic upon purchase through Goodfellow Inc.

20 Year Ltd. Warranty Against Decay

Goodfellow Inc. offers a 30-year limited warranty, as of purchase date, against rot affecting the CCA K33 pressure treated pine. This warranty will only apply to the replacement of the defective items.

*Goodfellow is not responsible for damage caused by twist, shrinkage, or other physical properties of wood.

Limited Warranties

The warranty is limited to providing sufficient quantity of opaque latex acrylic or semi-transparent finish to touch-up any imperfections in the wood coating. The warranty does not cover labour costs. All claims should be addressed to:
