

Selected Majestic and Vermont Castings [gas fireplaces](#), stoves or inserts with the Insta-Flame Burner come with a comprehensive Limited Lifetime Warranty. This Warranty includes the Insta-Flame Ceramic Burners, Heat Exchanger and Combustion Chamber. See your local dealer for details.

OUR CERAMIC LOGS

Most Majestic/Vermont Castings gas fireplaces, stoves or inserts feature our authentic "split oak" ceramic fiber logs that mirror nature's own, perfectly. When they're ablaze with the Insta-Flame Ceramic Burner, they give off an intense and realistic glow. Long-lasting and maintenance free, you can be confident that they will never fade, peel or crack.
