Three Year Parts Warranty

Who is Covered

Sirius Range Hoods warrants to the original consumer purchaser of its products that such products will be free from defects in materials and workmanship for a period of three years from the original date of purchase. There are no other warranties, express or implied, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose or application.

What is Not Covered

This warranty does not extend to filters, lamps, batteries, ducts and ductwork components. This warranty does not cover normal maintenance and service or products or parts which have been subject to misuse, negligence, accident, improper maintenance or repair, faulty installation or installation contrary to recommended installation instructions. The warranty on glass screens is limited to manufacturing defects only and expressly excludes cracks and breakages as a result of faulty installation. Labor and associated costs associated directly with removal and re-installation are expressly excluded.

The duration of any implied warranty is limited to the three year period as specified for the express warranty. Some states and provinces do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

The obligation to repair or replace, at the sole option and discretion of Sirius Range Hoods, shall be the purchaser's sole and exclusive remedy under this warranty. Sirius shall not be liable for incidental, consequential or special damages arising out of or in connection with the use, installation, re-installation or performance of the merchandise. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. This warranty supercedes and replaces all prior warranties.
