

# ENGLISH VILLAGE

DETROIT, MICHIGAN

## THE ROYAL HOMES ADVANTAGE:

- Excellence in craftsmanship
- High quality materials
- Full Customization
- Guaranteed pricing
- Timely execution
- Convenience
- Over 30 years of experience

This unique development provides affordable housing for middle income families. Spacious condominiums customized for diverse home owners. The project included 95 homes built to the specifications of each home owner. Residential Detroit Inc. is the key developer in this project. They envision a strong community in downtown Detroit with easy access to the excitement of city nightlife and the relaxation of Belle Isle.

**Project scope:** 95 condominiums, each custom designed

**Developers:** Residential Detroit, Inc (RDI)

**Goal:** Re-vitalize down-town Detroit with affordable housing that is uniquely designed for growing families. The condominiums are designed for family living and security. The location takes advantage of the eclectic downtown activities as well as the local community groups, schools and churches.
