

THE PORTLAND BUNGALOW

YOUR LOT, YOUR DREAM, CUSTOM BUILT.

OVERVIEW

 **1509** SQ. FT.*

 **2** BEDROOMS

 **2** BATHS

The Portland combines the simplicity of a classic bungalow with the elegance of a finely designed home. The large great room is a perfect gathering spot for family and friends. The galley kitchen is simply efficient, opening up to the great room. The three piece master ensuite boosts the master bedroom into a perfect get away. A home office is nicely positioned away from the living space, adding to its privacy. Sophisticated columns grace the front of the house and the peaked roof is a lovely design. The Portland is perfect for a long and narrow lot.

CUSTOMIZATION & OPTIONS:

- Run beautiful dark walnut hardwood flooring throughout the hallway, kitchen and great room
- Customize the cabinetry in the ensuite bath
- A gorgeous covered deck/or screened porch could be added at the back of the home
