OVERVIEW

-  **1872 SQ. FT.***
-  **3 BEDROOMS**
-  **2 BATHS**

Pineridge 'B' is created from one of Royal's most popular designs. It boasts a spectacular roofline and the traditional charming wraparound front porch, the Pineridge is simple yet elegant. The lovely exterior makes the home so inviting, and the interior does not disappoint. A cozy family room with a fire place lends its self to relaxing with a good book. The living room opens to the front porch and three bedrooms provide enough space for the whole family.

This being one of our favourite plans, the kitchen is the hub of the house, centralized to everything. Let your imagination be your guide, and delight your senses with a beautiful palette of warm woods, and rich granite. Bring something special into the picture and add some dazzling lighting. With over 1800 square feet, this home is spacious and well-designed.
