The Oxford is the perfect home for families. The large primary suite at the far end of the home provides absolute privacy. Whether you have young children, teenagers or are at the empty nest stage, this home is perfect. The large ensuite has features you'll love. The kitchen and dining area are open. Your family will enjoy many meals together. The living room is open to the dining area, but is designed to provide a formal feeling and separation from the rest of the home. Two good sized bedrooms are close to the main bathroom at the other end of the home.
